**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition will help the consumer to obtain better service and a more reasonable price. The big companies are being bullies and is suppressing competition, instead of looking inward of their corporation to streamline and control cost to compete against the new competitors.

Fair competition brings better products for consumers and forces the companies to improve themselves.

Sincerely,

Danny Ip
